WHEREAS according to the “Royal LePage 2024 Demographic Survey: Next Generation of Buyers”, 94% of Manitobans aged 18-38 believe that home ownership is a worthwhile investment, and 86% of those who do not currently own a home say it is a priority for them and a milestone they hope to achieve in their lifetime; and

WHEREAS despite the desire to own a home, Manitobans are finding it increasingly challenging to purchase a home due to the increased cost of living and increased housing prices; and

WHEREAS the land transfer tax adds an additional cost to purchasing a property in Manitoba and can be a barrier to home ownership for first time home buyers; and

WHEREAS on the average detached single-family home, the land transfer tax can cost in excess of \$5,000; and

WHEREAS according to the 2024 CMHC Mortgage Consumer Survey, the top two concerns for first time homebuyers included paying too much for a home and unforeseen housing costs; and

WHEREAS residential homebuyers pay the bulk of land transfer tax collected in Manitoba; and

WHEREAS it was an NDP Provincial Government that introduced the land transfer tax, and the current Provincial Government, has not done anything to help with the affordability of owning a home for a first-time home buyer; and

WHEREAS in Ontario, British Columbia, and Prince Edward Island, there are first-time home buyer incentives that include rebates on land transfer tax.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to remove the land transfer tax for first-time home buyers to assist more Manitobans with achieving their goal of owning a home.
