**DEBATE ON RESOLUTION:**

**MLA COMPTON – Women's Health in Manitoba**

4. WHEREAS women in Manitoba have long encountered barriers to accessing comprehensive health care when they need it, impacting their wellbeing and quality of life; and

WHEREAS decisions made by the previous failed PC Provincial Government weakened women's health services, such as the closure of the Mature Women's Centre and reducing access to specialized care for women; and

WHEREAS the previous PC Provincial Government eliminated lactation consultant positions, removing vital breastfeeding and postpartum supports that help ensure healthy outcomes for mothers and newborns; and

WHEREAS the current Provincial Government is rebuilding and strengthening women's health services throughout Manitoba, restoring programs and supports families depend on; and

WHEREAS the Provincial Government doubled the Fertility Treatment Tax Credit, helping to lower financial barriers for Manitobans pursuing fertility treatments and surrogacy; and

WHEREAS the Provincial Government doubled the Manitoba Prenatal Benefit to better support low-income pregnant Manitobans; and

WHEREAS the Provincial Government implemented universal no-cost prescription birth control, ensuring that access to contraception is not determined by income; and

WHEREAS the Provincial Government took action to protect reproductive healthcare by creating buffer zones around clinics that provide abortions, protecting patients and doctors; and

WHEREAS the Provincial Government is improving early detection of breast cancer by lowering the self-referral screening age to 45, with further expansion to age 40 underway; and

WHEREAS the Provincial Government has restored funding for lactation consultant positions so that new parents can receive skilled feeding and postpartum care; and

WHEREAS the Provincial Government is expanding access to prenatal and reproductive care in rural Manitoba through the introduction of midwifery services in the Interlake–Eastern Health Region, bringing care closer to home.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba recognize the importance of accessible, comprehensive women’s health care across their lifespan and commend the Provincial Government for its continued work to restore, expand and strengthen women’s health services in Manitoba so that women and families can receive care with dignity, safety and support.
